

SOL

There's a magic in sailing that's hard to define.

Key Features

- A modern twist on the classic board boat. Accessible to new sailors yet advanced enough to race.
- Open cockpit design offers comfort for up to a family of four. This, combined with built in straps, allows you to haul all your gear for a day on the water or a weekend adventure.
- Buyers can choose from a number of options to create a boat that is uniquely theirs! In addition to sail designs and boat decals, we offer a variety of colors for the handles, optional SeaDek, and extended splash guard.
- High quality construction with cored deck and hull, using a vacuum infusion process.
- Compatible with readily available components.
- American built and proudly being manufactured in New Baltimore, MI.
